2. The facts of this case are:

On March 15, 2002 the plaintiff (forma pauperis) woke-up feeling very sick with

chest pain around 2:00AM, she call 911 and they sent a ambulance out. At the time

she was living at:371 NE 191 Street Apt. 208, Miami, FL 33179. The plaintiff

(forma pauperis) had just move there March 1, 2002 and didn't know the area.

So, they took the plaintiff (forma Pauperis) to the defendant place of buiness, but

that place at the time was a mental hospital. The plaintiff had chest pain and not

head pain or anything concerning the mental, so why that place? The plaintiff

remember they telling the ambulance attendee to put her over there and it was

about 3:00AM. The question is what happen from that 3:00AM until 9:00PM

what took place. When I woke up it was about 9:00PM, what testes they done

and what was the problem. And why did they take the Plaintiff to that place? And

did the ambulance see anyone else in mine apartment when they enter?

It was a kidnap done that day at that defendant Hospital.

3. The relief I want the court to order is:

Damages in the amount of: \$5,000,000

An injunction ordering: To find the one's that were involve in a kidnap of that plaintiff (forma pauperis) on that day.
